AUGUST 2016

INCREASE IN SEWER RATES

The recently adopted 2016-2017 Operating Budget includes a rate increase in Sewer rates. This increase will go into effect on the August 1st utility billing. The Sewer base rate will increase from \$13.70 per month to \$16.44 per month, and the flowage charge will increase from .89¢ to \$1.18 per thousand gallons.
