SCHOOL ZONE SAFETY

ENVISION HEBER 2050 UPDATE

On August 28, 2019 Envision Heber held its third open house to celebrate the results of the community vision. The evening was dedicated to presenting the vision map – created from your input – and discussing specific elements that will refine the City’s new General Plan. If you were unable to attend, you now have the opportunity to review the presentation online and provide feedback. You may follow Envision Heber on Facebook and Instagram, and subscribe for updates through our website at www.EnvisionHeber.com.

With students heading back to school, those yellow flashing lights will once again be warning drivers to slow down. There are several crosswalks in the city, and our kids walk across them daily. Keeping our kids and crossing guards safe is a big priority for the police department. Please use caution during school zone times, and use the following tips:

- Be on the lookout for school zone signals and ALWAYS obey the speed limit (Fines are doubled for speeding in school zones).
- When entering a school zone, be sure to obey all traffic laws.
- Watch out for school crossing guards and obey their signals.
- Be aware of children near schools, bus stops, sidewalks, in the streets, in school parking lots, etc.
- Never pass other vehicles while driving in a school zone.
- Never make a U-Turn in a school zone
- Never text while driving, and avoid using your cell phone at all in school zones.

HEBER VALLEY AIRPORT MASTER PLAN UPDATE

On September 3, 2019, the Heber City Council will consider a grant agreement with the Federal Aviation Administration (FAA) to fund nearly 90% of the work to update the Airport Master Plan. Approval of the grant agreement will essentially start the update process. Expected to take 18 to 24 months to complete, the process to update the Airport's Master Plan will be extremely transparent with many opportunities for public input. The process will formally kick off with an open house to be scheduled later this fall. If you are interested in being added to a project email list, please email Travis Biggs at tbiggs@heberut.gov.

WHO'S KNOCKING AT MY DOOR?

I'm sure at some point in time you've experienced a door-to-door salesman interrupting your day to sell you the latest and greatest cleaning products or vacuum cleaner. But before you let someone you don't know into your home, you may want to ask them a few questions.

Heber City requires all door-to-door solicitors obtain a Heber City Solicitor's Permit. As part of the application process, a criminal background report is obtained and screened by the City. Once approved, the solicitor will be issued a badge containing the solicitor's name, picture, company they are representing, and the dates the permit is valid.

Protect yourself and your family from scammers by asking solicitors to show you their credentials. If you suspect a solicitor does not have a proper permit issued by the City, please contact the Heber City Business License Department at 435-657-7899.
